FOREWORD

43rd Semi-Annual Sale

The above statement means that our Association has been organized and has held sales for over 20 years. Over these years we have sold good, well-bred cattle at prices that have been good for both buyer and seller.

We have some 80 odd head listed in this catalogue, including 14 bulls, 41 cows, young open heifers, and 22 good quality junior calves for the junior shows.

This should be an excellent time to lay in some well-bred females, and I know this is as good a place to buy them as you can find. The cows and heifers are sired by noted bulls and are carrying calves by the same high calibre of bulls. Some of the best and highest priced Shorthorn bulls in the country are being used by members of our association.

4-H calves purchased in our sales and at private treaty from the members of our association have made good show records including many winners at the Interstate Show and Sale at St. Joseph.

There will be no show.

Come to the sale. You will be glad you did.

William Hartman, *Sale Manager*

GENERAL INFORMATION

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, South part of Maryville, Missouri, on Saturday, October 2, 1965.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bangs, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Bill Stunkel, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association.

There will be no show in connection with this sale this year.
